

spa

Style, technique and flair, these are a few of the core elements that our salon staff bring each day to each of our clients.

At the cutting room our focus is aimed at creating the looks and cuts that serve you and your style.

When we combine our style and cutting techniques with our collection of spa services we feel we can offer to our clients the complete Salon & Spa.

We want our relationship with our clients to be one simple thing; an experience worth repeating.

We are the Cutting Room and your desire is our passion. Our guests are the best advertisement. Tell a friend and you will both receive 25% off your next visit.

At the Cutting Room we work in partnership with industry leaders to bring to our customers the latest cutting edge products.

We pride ourselves in leading our industry in both our commitment to education and instruction.

Here are some of the fine brands that we work with:
